

# ***SOUTHWEST LEARNING CENTER'S***

## ***Code of Conduct***

Students have the right to be in school. However, a student and parent choose to attend the Southwest Learning Center. Thus, all members of the school community have a major role to play as positive models for respectful behavior. To this end, students, parents, and staff at the Southwest Learning Centers are required to abide by the expectations set forth in the school's Code of Conduct.

### **Students, parents, and staff agree to:**

# ***Code of Conduct***

1. Accept responsibility for their actions and education;
2. Attend to all responsibilities with a positive attitude;
3. Model positive behavior and language;
4. Come to school on time and be prepared to learn;
5. Use time at school effectively and efficiently;
6. Follow instructions provided by the school staff and parents;
7. Dress appropriately so as to not disrupt the educational environment. Student dress and grooming is to reflect high standards of personal conduct. School personnel shall have discretionary authority to assure that each student's attire promotes a positive, proper, safe and healthy atmosphere within the school;
8. Respect the rights and property of others;
9. Respect all property, equipment, and the school's facility;
10. Follow the Acceptable Use Policy;
11. Respect all faculty and staff at the Southwest Learning Center.

I understand that attendance at the Southwest Learning Center is a privilege, not a right. I further understand that failure to comply with the Code of Conduct will result in progressive disciplinary action that may include parental notification, changing to appropriate attire, assignment to an AES, suspension, or removal from the school.
