Dear Principal Scott Glasrud:

Congratulations!

The Math and Science Bureau of the Public Education Department and the New Mexico Math and Science Advisory Council wish to acknowledge your school's achievement on the 2007 New Mexico Standards Based Assessment. Your school had the highest percentage of students performing at Proficient or Advanced level in Math in grade 4 in the state. We are going to recognize this achievement at a ceremony during the first *Math and Science Day at the Legislature* on Tuesday, February 5.

We hope that you or your designee will join us in the Rotunda of the NM State Legislature Building at 1:00 p.m. on February 5. We are also inviting your state legislative delegation to be present to congratulate you as well.

Please contact Felicia Leyba (Felicia.leyba1@state.nm.us or 505.476.1880) to let her know if you will be able to attend or if you have questions.

Again, congratulations on your achievement and I hope to see you on February 5.

Sincerely,

A handwritten signature in blue ink that reads "R Scott".
